TRIDAY MORNING. :::: OCT. 8, 1869.

NEWSPAPER SALES.
On the 31st of March last, the closing day of what newspaper men all concede to be the busiest quarter of the year, re
on the busiest quarter of the year, re
which he was inisted. They make that said acts by the administration, and after that he is now a good man and true, and that by-gones shall be by-gones.

Li is not our province to dictate to Mississippi. Looking to the respective platforms, we can well afford to be indifferent. We can represent all the was inisted. They make the administration, and after the adoption of a resolution informing the Commanding General of its organization, the Senate adjourned.

RICHMOND, October 5.—Considerable excitement prevailed in this city yester its planting the control of the Legislature. Last night both parties went into caucus. The Wells representation presented resolution informing the commanding General of its organization, and after the adoption of a resolution informing the Commanding General of its organization. Richmond, October 5.—Considerable excitement prevailed in this city yester its organization. The Wells representation presented and that by-gones shall be by-gones. It is not our province to dictate to Mississippil. Looking to the respective platforms, we can well afford to be indifferent. We can represent all provinces to dictate to mississippile. The senate adjourned in the Senate adjourned.

Richmond, October 5.—Considerable excitement prevailed in this city yester its planting the senate adjourned. FRIDAY MORNING, ::::: OCT. 8, 1869. day of what newspaper men all concede to be the busiest quarter of the year, returns were made by the several newspaper concerns of this city, showing the fol- a hearing and justice according as each may make out its case for itself.

WHIRLPOOL

who claim to be advised of the Presi-Threatened. dent's purposes, say that the vacant

MINNEAPOLIS, MINN., October 6.-Mon place on the Supreme bench will be day morning the Eastman Tunnel, half a mile long being excavated for the purpose of making a water power on Nicallet Island, pierced a sink-water cavern in the island, below the level of the river. The endered to Judge HOAR; that Mr. PIERPONT, of New York, will be nominated for Attorney General, and that Pennsylvania will have the posigates at the head of the tunnel were closed, water could not be arrested, and on I wy morning a large whirl-pool was discovered near the shore of the As indicative of Grant's conserva-tism and of any possibility of any-of raffs, cribs, bales of hay, etc., proved thing like fair dealing by his Admin-istration, we learn through the Wash-iself. The mills at Hennessey Island are ington correspondent of the Louisville indanger, as the ground is caving in from the passage of the water beneath. A thousand men are at work night and day constant in the passage of the water beneath. A thousand men are at work night and day constant in the passage of the water beneath. A thousand men are at work night and day constant in the passage of the water beneath. A thousand men are at work night and day constant in the passage of the water beneath. A thousand men are at work night and day constant in the passage of the water beneath. ans write that they have been misled as to the position of the Administraion of the dam will be blown out to lower tion by the New Orleans Times and the water, which is very high, and the danger of a new channel limminent.

take no part in the quarrel, but they cavity of the whirlpool and thence into the tunnel, has been checked by masses of trees and sand bags. No damage to the have been undeceived by Gen. REY-NOLDS' letter, and now see that the mills reported as yet. Huge bonfirs have been lighted. The men at work at the piers of the new corper dam have Radical ticket is to be sustained to the fullest extent. In other words, the people of Texas must go the whole nearly completed them. The people are excluded from the island and the work goes bravely on. The hole is sixty feet keep and thirty broad. It is full of trees,

gresses in Richmond. The Radicals of Virginia, fortified by the administration, are moving, as Brownlow would say, earth and hell in behalf of their nefarious cause. They have succeeded in inducing Gen. CANBY to exact the test-oath and throw other obstructions in the way of an organization of the Lardelenge No Lordelenge (Covernment, and which throws handreds of men out of employment, when employment is a design of the men out of employment, when employment is a design of the men out of employment, when is at least 30,000 almage to the Government, and which throws handreds of men out of employment, when employment is a design of men out of employment, when is at least 30,000 almage to the Government, and which throws handreds of men out of employment, when employment is a least 30,000 almage to the Government, and which throws handreds of men out of employment, when employment is a design of men out of employment, when employment is a design of men out of employment, when employment is a design of men out of employment is a de

sented for members to take before Gen. Canny would grant them certificates of election. Thus, by "hook or by croos," if not in one way then in by crook," if not in one way then in another, the Radical party has determined another, the Radical party has determined by the Moline woolen mill. About seven-eights of a mile below this was anmined to force negroism and a negro-ized Government upon the ancient weeks, lifted the water from the space be-For what it is worth, we give DENT's opinion of his chances for success against Alcorn. It appears

"large body of the most radical Reduring the last eight days caused Gen.
"publicans, and a very large negro Rodman to take extraordinary precau-" vote. He further says that he does "not believe that ALCORN will re-"ceive a thousand white votes in the in its resistance to the mighty pressure "State." So far as we are informed, which was threatening it. On Wednes-"State." So far as we are informed, it is altogether probable that DENT | has the advantage just now; but if certain rumors of a new movement are correct, then we have some hopes that both he and Alloorn will be beaten by a white man's candidate.

The great noise was doubled, and a strict watch was kept on Wednesday night. But, at half-past eleven in the night, a small leak was observed near the top of the dam. Immediate efforts were made by the night gang to stop it. In a few minutes the dam gave way near the shore, the water rushed through, and, like a swollen torrent, swept everything before it. The great noise was a very resmilar.

with him by one of our reporters, worst fears from which it will be seen that the prisoner is relicent as to the crime for which he is about to suffer the extreme penalty of the law, and is indifferent to a fate which we hope will operate, as the law contemplates, as a warning realized. Two hundred
